Project-2 Seminar Presentation Marking Criteria

Criterion	A (Outstanding or Excellent). = up to 4 pts	B (Good) = up to 3 pts	C (Pass) = up to 2 pts	D (Poor) = up to 1 pts.
Technique Understanding	Demonstrates clear and accurate understanding of the project, methods, and results. Explains key ideas confidently.	Shows good understanding with only minor gaps or unclear points.	Basic understanding shown, but explanation is incomplete or partially unclear.	Limited understanding of the project or major inaccuracies present.
Talk Organization & Clarity	Presentation is well-structured, logical, and easy to follow. Main message is very clear.	Mostly organized and understandable with minor issues in flow or clarity.	Some structure present, but presentation is difficult to follow at times.	Poorly organized, confusing, or unclear.
Visual Slides	Slides are clear, readable, and effectively support the presentation. Appropriate amount of content.	Slides are generally clear with minor readability or formatting issues.	Slides contain excessive text, clutter, or inconsistent formatting.	Slides are difficult to read or do not support the presentation.
Delivery & Communication	Speaks clearly and confidently, maintains audience engagement, and keeps good pace.	Generally clear delivery with occasional hesitation or pacing issues.	Delivery is understandable but lacks confidence or clarity.	Difficult to hear, understand, or follow.
Time Management	Y	Y	Y	N

(Time management: finished the talk within 3:59 minutes → 4 points; over 4:15 seconds → 0 pts; Other: at tutor's discretion.)
